

APRIL 2021 UPDATE

April was a good month; the weather was nice and the ropes on the course made the green of the newly grown grass look spectacular.

We even got to play the Front 9 once and are getting better at knowing the greens on both sides.

Some of our ladies had health issues and missed out on the rounds. We do wish them a quick recovery and we miss their faces.

Congratulations to Judy Dwelle. Our April Birthday Girl had a super good month, not only is she one year older she got her 1st Hole in One.

We saw the first baby geese on hole 15, lots of babies' animals to keep an eye out for.

Upcoming Events in May:

- Mother's Day
- Modified Eclectic Starts
- Valley Hi Invitational (Elk Grove)
- Memorial Day Tournament

Upcoming Events in June:

- Invitational Northridge CC
- Father's Day
- Possibly a partners 9-hole game with us. Still in the planning stage.
- Alta Sierra Niner OPEN Tournament.

IF any of you want to come for a guest day please just ask, we are looking for more members.

Enjoy the course and maybe a glass of wine at the bar after your game.
