

Captain Fantastic

Well, for the most part it was a slugfest on the course this past Thursday but Captain Janet Barnes prevailed winning Captain's Trophy for February with a net 69.

Low gross in the First Flight went to Doreen Lewallen with a 95. Barb Pearce and Cinnamon Danielson took first and second low net in that flight.

Second Flight winners included Peggy Hubert's low gross score of 101. Low net winners went to Jodi Gillespie, Robin Van Metre and Mary Bulman.

One of our newer members, Sharon Schmedes, shot a 105 winning low gross in the Third Flight. Nancy Mitchell and Tish Buti rounded out the day's winners capturing first and second low net in their flight.

Elaine Martin's 19'6" was good enough for Closest to the Pin beating Nancy Mitchell by five inches.

If the weather holds we should get December's Captain's Trophy in on February 9th.
