

DOREEN DELIVERS

Maybe it was a post July 4th celebration or cooler than normal temperatures but whatever the reason, an unusually large field of golfers gathered for July's Captain's Trophy tournament. There were three flights of participants and this month's winner came out of the First Flight. Congratulations to Doreen Lewallen, who survived a back nine card off against Judy Wood. Both carded 71 net scores but Doreen's back nine 43 bested Judy's back nine of 44 securing the win. Judy won low gross with a 91. Cinnamon Danielson and Ruth Squibb were first and second low net winners in the First Flight.

Andi Davis took home low gross honors in the Second Flight. Diana Garbin and Robin Van Metre were first and second low gross winners respectively in that flight.

Third Flight winners were Wendy Weiss, taking home low gross honors. Janet Barnes secured first low net with Pamela Stern taking second. Pamela's 10'2" won closest to the pin. Cinnamon Danielson's 10'7" was a close second.
