

Danielson Determined

After the snow melted and the maintenance crew was able to clear the debris from the course ASWGC was finally able to play Captain's Trophy for January. Usually this competition is played on the first Thursday of each month, weather permitting. We did manage to get the tournament in before the month's end. Congratulations to Cinnamon Danielson winning Captain's Trophy for January with a net 74. Other First Flight winners were Doreen Lewallen, Jean Metz, Debe Wilson and Barb Pearce.

Second Flight winners were Diana Garbin, Robin Van Metre, Peggy Hubert and Andi Davis.

Nancy Mitchell, Linda Fritz and Marti Jones were winners in the Third Flight. Jean Metz won closest to the pin honors at 11'4". Doreen Lewallen took second with 14'4".

It's nice to be back out on the course and a big thank you to Sean, Art, Joel, Paul and all the others who worked tirelessly to get us up and golfing again. Now it's time to start our rain dances.
