Cinnamon Danielson kicked off her birthday month in style by winning Captain's Trophy on March 4th. Congratulations Cinnamon.

March also marked the start of ASWGC's annual Eclectic Tournament. This is a ten game tournament played only on Women's days over an eight-month period. The main objective is to try and improve your score on as many holes as possible each time you play your EC card. There's still time to sign up for this fun tournament.

Due to weather we only had two play days this month. The St. Patrick's Day scramble was played a week late. This was an enjoyable team event and a good way to usher in spring. Enjoy the warmer weather at Alta Sierra Country Club.
