

## February's Captain's Trophy award went to Ruth Squibb with a net 73.

Congratulations Ruth!

Tournament Chair, Doreen Lewallen, had a variety of formats for the ladies this month. After Captain's Trophy, the game was a modified "Cupid Angel Ball", a low stress game made even sweeter with bags of Valentine's candy provided by Barb Pearce. Mystery Partners were picked for us the following week and the month wrapped up with the ladies counting putts to see who could make the fewest number in their round.
