

2021 ASWGC INVITATIONAL

The long delayed two-day tournament wrapped up on Friday the 13th proving to be lucky for Elaine Martin and her guests Chris Billingham, Sharon Peterson and Sherri Fernandez. Their two-day score of 121 bested the second place team of Linda Fritz, Karen Holdsworth, Judy Dwelle and Dotti Teague by one shot.

The team of Andi Davis, JoLynn Samuelson, Jodi Gillespie and Marion Bennett won the Horse Race in a chip off against the second place team of Doreen Lewallen, Joan Dickerson, Cinnamon Danielson and Bonnie Marvelli. Third in the Horse Race were Peggy Hubert, Donna Carter, Barb Pearce and Marian Slayton.

Thanks to Liz Coots and Debe Wilson, as tournament co-chairs, for reminding us "Life is Good" following more than a year of postponements and hardships for so many. Thanks also to Sean O'Brien and Ron Fritz for photos. Brian Glosser and his team in the pro shop. The Niner ladies for their help with the putting contest. All the guys who picked up clubs, parked carts, and took "contributions" for the horse race. SPD and Dean Painter for Thursday's hot dog barbeque. Sandy Laffins, Christine Bono and the kitchen staff for our awards luncheon on Friday.
