

A MENTAL VICTORY

The 2024 ASWGC Championship tournament concluded on October 10 after three 18-hole rounds. Familiar names, for those of you who follow on this website, battled during the three day competition. Going into the final round Judy Dwelle had a slim two shot lead over Cinnamon Danielson. Although Judy had a rough start, she calmed down and captured the 2024 title of Club Champion. Afterwards she commented that she was mentally exhausted but pleased she was able to let the bad shots go and stay focused during the round. Judy is one of our newer members and over the three years since joining in 2021 she has worked diligently on improving every aspect of her game. This win is well deserved and she'll be a great champion. Congratulations to Judy Dwelle with a 273 gross score and Cinnamon Danielson who was runner up with a 276 gross score. Rounding out the Championship Flight was Judy Wood winning low net with a 227.

Low gross winner in the Second Flight was Diana Garbin with a three round total of 296. Nancy Mitchell bested Tish Buti by one shot to win 1st low net with a 219 net score.

Closest to the pin honors for the three rounds went to Tish Buti in round one, Judy Dwelle in the second round and Cinnamon Danielson in the final round.
