

Nif-Tee Niner News

April/May 2025

I missed April's newsletter because of travel. Sorry about that. Our group is starting to receive invitations to the Women's Nine Hole Association tournaments, (WNHGA). And the Corena Green Classic has been announced for July! I have placed the schedule on our bulletin board.

Oh, the hole-in-one. It's what all golfers strive to achieve. Are you struggling?

Don't worry — you're not a bad player. The odds are against you.

There's a 12,500 to 1 chance a typical golfer will make a hole-in-one. That's because the width of the hole is so small. Even professional golfers can go their whole career without making a hole-in-one!

What Is the Hole-in-One Etiquette for Who Buys?

According to traditional golf etiquette, if you score a hole-in-one, you're expected to buy a round of drinks for everyone in the clubhouse. This is an unofficial rule that has become gospel among

golfers. But like any good tradition, it's open to interpretation and often stirs up heated debate.

There is some controversy about this tradition and the course itself may have a tradition about who pays.

But cheer up, you may never have to pay up since the odds aren't in your favor.

We have a swear jar now! It is twenty-five cents a pop, with You Know Who (me) contributed the most! We are using it to collect funds to donate to the Corena Green Scholarship Fund. Money collected for the Closest to the Pin (CTP), and having more than 4 putts, are also added to the jar! Thank you Niners!

And we will end this with a photo of Susie driving her cart. Did you know that Phil Green has made her the Mayor of Alta Sierra? Congratulations Susie! Or should I say your honor? Your Mayorship?
