

## “BUTIFUL” DAY

Tish Buti's gross score of 90 for a net 68 was a beautiful way to begin our competitive year. Tish won December's Captain's trophy by playing very consistent golf and sinking one very long putt according to her playing partner Peggy Hubert. Peggy took home low gross honors in the second flight and Elaine Martin won first low net in that flight.

In the first flight Judy Dwelle's 87 won low gross. Barb Pearce secured first low net with a 71 besting second place winner Judy Wood by two strokes.

Closest to the pin was Judy Wood's 6'10". Judy Dwelle was second with 8'8".

We'll see what happens in January as a long range forecast shows numerous days of rain to start the new year.

Happy New Year to all and for myself I'm forgetting resolutions and just aiming for fewer three putts. Hoping 2026 is filled with good golfing days along with good friends.
