

CHELLIE'S BACK

Chellie Peterson took a long break from golf leaving ASWGC in 2016. She started playing a little golf again in 2022 and came back to ASWGC this year. She's quickly regaining her stellar play of the past and I think it's safe to say Chellie Peterson is back carding a 91 for a 67 net to secure August Captain's Trophy. She also won closest to the pin. Chellie's 19' bested Doreen Lewallen's 21'7". Congratulations and it's great having you back.

Doreen Lewallen captured low gross honors in the First Flight with an 85. Judy Dwelle won low net with a 71. Judy Wood and Debe Wilson were second and third respectively.

In the Second Flight Diane Timko's score of 99 won low gross. First low net went to Elaine Martin who carded a 74. Pamela Stern and Peggy Hubert captured second and third low net.
