

## December Captain's Trophy

Inclement weather and the Thanksgiving holiday kept ASWGC ladies away from the course for several weeks. Good weather on December 5<sup>th</sup> brought 18 lady golfers out and most of us were a little "rusty". After golf many of us laughingly shared our misadventures, which led to some abnormally high scores. That being said there were a few stellar rounds.

One of those stellar rounds went to Judy Dwelle who continues to perform well carding an 84 gross/68 net to capture December Captain's Trophy. Doreen Lewallen's steady and consistent play won low gross in the 1<sup>st</sup> flight with an 88. Judy Wood's 78 net was good for 1<sup>st</sup> low net honors beating Chellie Peterson in a card off. Ruth Squibb won 3<sup>rd</sup> in yet another card off.

Peggy Hubert's 101 gross bested the other nine players in the 2<sup>nd</sup> flight. Andi Davis was low net winner with a 76. Tish Buti's 79 was good enough for 2<sup>nd</sup> low net. Diane Timko and Elaine Martin were 3<sup>rd</sup> and 4<sup>th</sup> respectively.

Judy Wood won closest to the pin with 21'7". Peggy Hubert's 22'9" was a close second.
