

## Excited and Amazed

When I asked Diane Timko to tell me about Nancy Mitchell's round of golf she reminded me how excited and amazed Nancy is when her short putts go in the hole. Nancy had good reason to be excited on Thursday capturing Captain's Trophy for October. Nancy has been putting some good rounds together lately and is steadily improving. Her low net 71 bested the field of fourteen. Janet Barnes, her other playing partner was impressed with Nancy's consistent putting.

In the first flight Judy Dwelle won low gross with a 90. Chellie Peterson was low net winner carding a 75 with Debe Wilson and Judy Wood placing second and third respectively

Andi Davis took home low gross honors in the second flight. Diane Timko's 75 was first low net winner. Barb Pearce and Janet Barnes took second and third low net both with a 78 score. The tie was broken on back nine score.

The threesome of Mitchell, Barnes and Timko were all in the winner's circle this week. Diane Timko was closest to the pin with 8". That's the closest this year. Andi Davis's 7'2" took second.

Although the course was a bit muddy from recent punching of the fairways there was some good golf and gorgeous fall weather. Get out and enjoy!
