

# January 2025 Nif-Tee Niners News

We have survived the Holidays and have welcomed in the New Year of 2025!

Some of our members have voiced their New Year Resolutions for golf:

HS - I would like to start and end a round of golf with the same ball.

SL - I just want to hit the ball in the air!

SK - I am going to take lessons this year.

AP - Make golf a bigger priority in my life. Be present and show up!

KV - My resolution is to spend more time on the driving range working on my game.

KS- To keep my stroke count at each hole under ten!

JC - Just to play better golf!

Let's see how many we manage by the end of 2025 and check back!

## Trivia:

Did you know that the Patron Saint of Golf, *yes there is a patron saint of golf*, is St. Andrew? Andrew was supposedly one of Christ's disciplines and a brother to Simon Peter. He was from Bethsheba on the Sea of Galilee, so it is doubtful that he ever made it to Scotland. However, according to legend, he traveled to Scotland to establish a church (or kirk) in Fife, Scotland. There is another legend that says some of his bones or relics made it to Scotland.

So next time you are struggling on the course, ask St. Andrew to help you out!

Here is a photo from our 2024 Halloween Fun Day:

We always have a fun day for Halloween each year. It is a great chance to dress up and play a little differently on the course.

*Who are these scary golfers?*

January 9<sup>th</sup>. we played the front nine holes:
