

## Mary Bulman Hole-in-One

December golf is off to a good start for Mary Bulman. Mary, her husband Doug, Doreen and Don Lewallen were treated to a real treat when they reached the 15<sup>th</sup> hole on Monday. Teeing off to a deep blue flag with her seven iron Mary's ball hit the green and kept rolling according to Doreen.

Not knowing if the ball ran past the cup or went in Doug checked the cup and sure enough there was the ball! Mary said it had been at least ten years since her last hole-in-one. Mary will receive \$50 from ASWGC for this rare achievement. Free drinks awaited those who played on Monday. CONGRATULATIONS Mary.
