

Well we ended February with some pretty good weather after starting pretty soggy. The maintenance crew has been busy punching the fairways so the course should be looking pretty good in about a month.

The finalist for our GRS # 1, - 4 man elimination scramble shot a net 49.6. The team consisted of members Dean Painter, Kim Olson, Jack Kennedy and Jody Laffins. Well done boys!

Not one single card was handed in for February presidents trophy day on the 17th. I guess we all played terrible. I know I did. So even if you just played decent put your scorecard in the envelope, you never know.

On February 8th, Chuck Vold aced the par 3, third hole. This was Chuck's first Hole in one. Congratulations Chuck! Hope number two comes a lot quicker.

Not in February but we have to give acknowledgement to Roger Cravy's Hole in one on the third hole on March 3rd. This was Rodgers 2nd Hole in one. Congratulations to your both!

Our next president's trophy day #3 will be March 17th. See you all out there.

Jody Laffins
