

March Recap

Gentlemen,

March was a beautiful month to play golf. The course is looking great and running fast. I think we all like the conditions but obviously we could use a lot more rain.

Our GRS #2 for march was a two-man best ball, it was also a NCGA qualifier. First place went to Brad Stewart and Matt Sowell with a net score of 63. Second place was Lyndon "Cat" Smith and Jody Laffins with a net 64. The two teams are going to represent ASCC on April 5th & 6th at poppy Hills and Carmel Valley. Due to unfortunate circumstances Laffins will not be able to attend, Jack Kennedy will be my replacement. Have fun down there Boys. Play well and we hope you have great weather.

Dan Counihan won president trophy day #3 with a score card playoff vs Scott Byous. Both players carded a net 70, well played.

Our next tournament will be GRS #3 and is a 4-man 2 best ball to be held on April 21,2021. Get your foursome together and sign up in the pro shop.

I hope everyone has a great Easter, Hit them straight and far and not too often.

Jody
