

Nif-tee Niners' 2024 Wrap Up News

Hello and greetings! The Nif-tee Niners had a great year playing at the Alta Sierra Country Club. We had several new members who have added to the fun that we usually enjoy during the year. And this year we were able to play off the front alternatively with the back nine. All of us enjoyed the challenges inherent in the game. The most fun is trying to win the closest to the pin.

As the end of year arrived, we celebrated with a holiday party luncheon and gift exchange. We even played a putting match within the club. Everyone enjoyed themselves at our event. Our captain, Sandy, recapped the year for us and finished up with some ideas for the upcoming year. We are all looking forward to next year!

If you wanting to learn to play golf with a fun group of women, please contact our team Captain, Sandy. We play nine holes every weather permitting Thursday.
