

## Persistence Pays Off

Judy Wood told me she couldn't remember the last time she won Captain's Trophy. "Years," she laughed, "too long to remember." This surprised me because Judy is a consistent, solid golfer with a very good short game that finally paid off this past July 18<sup>th</sup> when she captured Captain's Trophy honors for the month. Her 90 gross score, 69 net was good enough for the win. Congratulations Judy!

Not surprising Doreen Lewallen won low gross in the First Flight in a card off with Judy Dwelle. Doreen and Judy Dwelle are two of our better golfers and often find they battle for first place honors in their flight. Cinnamon Danielson won low net with a 71 followed by Mary Bulman's 73 and Judy Dwelle's net 74.

In the Second Flight Diana Garbin won low gross with a round of 92. Janet Barnes won low net with a 71 in a card off with Marti Jones. Diane Timko took 3<sup>rd</sup> in a card off with Barb Pearce. This month produced some good scoring and tight completion for payouts.

Judy Dwelle was closest to the pin at 4'11". Diana Garbin's 13'7" was good enough for 2<sup>nd</sup>.

ASWGC Club Championship is scheduled for the middle of September after course aeration and hopefully some cooler temperatures.
