

Peterson Prevails

It wasn't the first Thursday in February, but it was still February when ASWGC ladies competed for February's Captain's Trophy this past Thursday. After weeks of wet and stormy conditions the weather was warm and spring like on the 27th and 15 ladies came out to enjoy the day and friendly competition.

When the round concluded it was Chellie Peterson who took home Captain's Trophy prize for February with a 69 net score. Chellie said she played steady golf, carding a birdie on the 13th hole and enjoyed the group of gals she was paired with.

Other winners in the first flight were Judy Dwelle winning low gross with a round of 87, besting Doreen Lewallen's 88 by one shot. Low net went to Judy Wood with a 72. Doreen took second low net and Cinnamon Danielson third.

In the second flight Peggy Hubert's 97 won low gross. Andi Davis celebrated her birthday by taking home low net honors in a three way back nine card off with Janet Barnes and Robin Van Metre. All three had 75 net scores but Andi prevailed besting Janet and Robin on the back nine.

Chellie continued her winning ways by capturing closest to the pin. Chellie's 10'4" bested Judy Wood's second place 11'9".

The Eclectic tournament starts next week if the weather cooperates.
