

Squibb and the Sunshine

Once again weather messed with our scheduled March Captain's Trophy, delaying play for two weeks. The conditions were quite wet on the 20th but the sun was out and ten ladies showed up to compete. Ruth Squibb wasn't rusty after the spell of bad weather and shot a gross 93 for a 76 net score, which was good enough to win Captain's Trophy. Ruth said her play was steady and chipping in for birdie on 13 was a highlight.

Low net winner in the first flight was Debe Wilson with a 78 while Chellie Peterson's 96 captured low gross.

In the second flight low gross went to Diana Garbin with a score of 104. Janet Barnes and Peggy Hubert were first and second low net winners respectively.

Closest to the pin honors went to Diane Timko's 15'2". Second went to Debe Wilson's 30'4".

Will weather be a factor in April or are we done with weather delays? Only Mother Nature has that answer.
