

Terrific Timko

On a steamy and smoky August morning Diane Timko was one hot golfer. The phrase “Drive for show, putt for dough”, certainly was appropriate in describing Diane’s game Thursday. She said every time she got in trouble her wedges and short game bailed her out. Six one putts in a round helped her to a 94 gross score and, after a back nine card off with Andi Davis, Diane’s net score of 71 held up to win Captain’s Trophy. Andi Davis was low gross winner in the second flight. Other second flight winners were Diana Garbin first low net winner with Robin Van Metre taking second low net.

In the first flight Doreen Lewallen won low gross. It’s not unusual for Doreen to capture low gross honors but her 78 score this week was the lowest score she’s ever carded on a Thursday play day. Nice game Doreen! Judy Wood and Peggy Hubert were first and second low net winners respectively.

“The Judys” were closest to the pin winners this week. Judy Wood’s 6’10” was first with Judy Dwelle coming in second with 18’9”.

Hoping for some lower scores to go with lower temperatures the next few weeks. Happy golfing everyone.
