

Pearce Prevails

Thirteen ladies signed up to vie for January's belated Captain's Trophy. The morning was crisp but by the end of the round many of the gals had removed a layer or two due to unseasonably warm conditions. Barb Pearce and Diana were in the last group playing as a foursome. Unfortunately, two of the competitors in their group had to withdraw partway through the round. This left Barb and Diana playing behind threesomes. Diana said they had lots of time to talk, laugh, and relax. Barb played relaxed, consistent golf. Putting well she avoided any blowup holes and her 74 net score was good enough to win Captain's Trophy.

Peggy Hubert won low gross in the second flight with a 109. Robin Van Metre and Elaine Martin tied low net with 80s. Robin won first in a back nine card off. Elaine second.

In the First flight low gross went to Doreen Lewallen carding a 93. Ruth Squibb's 80 won low net with Judy Dwelle taking second with an 82.

Closest to the pin honors went to Mary Bulman. She made the 3'5" birdie putt costing her playing partners \$2.00 each. Well done Mary! Judy Dwelle and Elaine Martin took second and third respectively.

The day was lovely and although the golf was a bit rusty it was wonderful being outside with friends.
